EDWARD LEACH, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Fake news. Media bashing. Vanishing readers. 1st amendment under attack. That is the state of affairs of newspapers today, but this is one way to push back. Readers have no idea what goes into bringing forth a daily or weekly newspapers. They would be amazed at what happens inside the newspaper offices from edition to edition. Factory assembly lines bring many various pieces together at a precise location and at a precise point in time. That is exactly what newspapers do, but there is nothing "mechanical" as the daily or weekly deadline approaches. EXTRA EXTRA takes the reader behind the scenes of the news business with a novel that is both informative and fun to read. Young, bright reporters are quickly brought into the flow, and hone their journalist skills as part of a larger team. Remington keeps the paper moving forward as a team, and the newspaper excels. Town officials, almost all of whom are volunteers, react to seeing their words and deeds in print. The newspaper ad sales people try diligently to service their accounts and not just take orders. The NH primary is a passion for Remington and his staff alike and they are known as a "must stop" by many...
